He further appraised the members that special coaching classes were Organised particularly in Basic engineering subjects. The students were very happy and expressed to the faculty members that they were able to follow the classes.

The Member Secretary then presented the grievances received from students for discussion.

1st year B.E students of the EEE & ECE departments met the principal and represented their grievances, which were filed for further Action.

Nature of Grievances:

1. Lack of proper maintenance of the canteen facilities on Campus.
2. Non-availability of RO drinking water facility in some floors of the campus.

Discussions and Resolutions on the Grievances:

The committee members examined the grievances that was circulated to them by the Member Secretary and after thorough discussion, they decided to change the canteen maintenance team and initiated for the installation of new RO treatment machines in the floor wherever not available. In the meantime, temporary arrangements for pure drinking water were made available. The information regarding these decisions was communicated to the students through the respective Head of the Departments.

The meeting concluded with a vote of thanks by the Member Secretary.
