He explained to the members the **action taken** on the Grievances received during the previous meeting. It was noted that significant improvements has been observed in the maintenance of the canteen by the new team identified, and the successful installation of the RO treatment machines was completed in June 2019. All members present appreciated the timely action undertaken.

The Chairman presented the following grievance that was received from the students.

Nature of Grievances: Parking lane for students.

The students of Civil Engineering department reached out to the Secretary to report their grievances regarding parking lane for students and the same was brought to the attention of the principal. The letter requesting **action** on the matter was obtained from the students, with their signature and duly filed by the Secretary.

Discussions and Decisions on Grievances:

After reviewing the grievance that was circulated to the members by the secretary, the committee members resolved to provide a designated parking lane for students to park their vehicles comfortably. It was further resolved to convey to the students the decision taken in this regard through the head of the Civil Engineering Department.

The meeting concluded with a vote of thanks by Member Secretary
